Maximum dimensions and weight allowed on an annual oversize/overweight permit is: **Length - 120', Width - 13'5", Height - 15'5" Weight - 156,000 pounds**

It will be the responsibility of the carrier to route themselves around low clearances, construction projects, embargoed roads and bridges.

Permits can be issued only for transporting, single articles that exceed statutory size unless the inclusion of additional articles does not cause the size or weight to further exceed the statutory limits.

**CARRIER WILL BE RESPONSIBLE FOR OBTAINING COUNTY ROUTE APPROVAL PRIOR TO MOVE**

Disclosure Statement: The information furnished on this application will be used by the Department of Transportation to prepare and issue permits. All information applicable to a given permit is required and is public information. **Failure to complete the application as required will result in denial of permit.** Permit Issuing authorities will not be responsible for any damages that are the result of the move. The State of Iowa, the Department of Transportation, and any other permit issuing authority assume no responsibility for the property of the permit holder.
